Total of 44 species

Observers: *Observers included David and Deborah Walker, Gary Grantham, and Anonymous.*

Because of the restrictions imposed by local San Diego governments resulting from the COVID-19 pandemic, and because the State of California closed Torrey Pines State Reserve to the public for the duration of the pandemic, this is very much a partial monthly report. Observations were made only from outside the Reserve.

Torrey Pines Docent Society Bird Survey

July 2020

Mallard 3	California Scrub-Jay 2
Pied-billed Grebe 1	American Crow 13
