Torrey Pines Docent Society General Meeting

--**The General Meeting** will start at 9 AM, November 20th. The Executive Board meeting starts at 8 AM, and is open to docents (space permitting).

--**Elections for Executive Board members** will be held at the General meeting. Nominations may be made at the meeting; there is a slate of nominees from the Nominating Committee (Joan Nimick), or you may contact Joan if you wish to run or nominate someone (who has agreed to run).

--**The board** essentially runs the society in your name. I believe it is vital that good candidates are encouraged to run for the positions, that the best candidates are chosen by the membership, and that the Board members are supported and given feedback by the members after the election. In order to be the best we can, **all** docents must participate (*take a part*) in this process. See you at the meeting!

--**Our guest speaker** is our historian (and basket maker extraordinaire) Judy Schulman. She will give a talk, with slides, of her extensive collection of Torrey Pines postcards.

--**Kayak Training:** Training for docents who want to use the kayaks purchased for TPSR will follow the General Meeting/guest speaker. These single person kayaks can give docents lagoon access (space available) for patrol, research, education, and interpretation. (There will surely be other trainings scheduled, but be the first on your block...!)

--**Food Events:** There will be no November dinner this year, but our December holiday potluck feast (date to be set) will be another docent success!

Jeannie Smith is TPDS' Webmaster. If anyone with applicable skills wishes to help, or has ideas on improving or adding to the site, feel free to contact her.

100-year Anniversary Celebration

--**A Job Well Done!** Thank you all (volunteers, staff, post office, press, caterer, food servers, musicians, speakers, the public, and the weather) for making this an event to be remembered. Now, I suggest we share our experiences and give feedback, so we may find out what worked well (and might be reused) as well as what could be improved. Speak with one another, contact any board member, send e-mail, etc.

--**Scrapbook:** Marion Dixon has graciously volunteered to produce a 100-year Anniversary scrapbook. Send her clippings and photos, or bring them to the November meeting.

--**Appreciations Needed:** A traditional part of any event is published appreciations from the group leaders, naming people who helped with the event, adding comments, etc. TPDS Sales has submitted her input. I need input from everyone else, to publish (space available) in the first *Torreyana* of 2000.

New Lodge Logbook Forms

--A Mystery Solved--

--**I had always** been bothered by the dingy logbook forms: the fill-in blanks got darker with each copying, I wondered how our Duty Coordinators ever read the input, and thought "someday" I'd put mind to computer, and issue a new master.

--**So, one sunny day**, they are new and fine! I asked three people, who did this? One said Greg [Hackett] fixed it. The second said, Stacey [DeJane] copied them more lightly. Finally, the third person said, they thought the "other Marty" made them.

--**I e-mailed Marty Blake Jacobson**, and found out:

I had trouble filling out the copy of a copy of a copy that was black and dark gray instead of black and white. So I asked Stacey about the form. She couldn't locate the original, so I asked for several sheets of legal size paper and went to the computer. From the measurements of the old one I made a new one. It's in one of the folders on the docent computer.

--**Thank you, Marty.** A fine example of someone "pursuing excellence."

Finally, some humor from Ken Baer's e-mailed suggestions for this month's *Torrey Lite*:

"And what is with those bells along Torrey Pines Road? El Camino Real-Kings Highway?"
[Come to the General Meeting, ask Allyn Kaye.]
